**NOTE:** Parents, you do not need to answer all these questions. We just want more information about your child so we can write a letter of recommendation that includes all aspects of his/her life. Thank you in advance.

- What do you consider to be the outstanding accomplishments of your child during the past three or four years? Why did you select these as most important?
- What are his/her academic interests & accomplishments? Give examples.
- Outside of academics, what are his/her other interests?
- In what areas has your child shown the most development and growth during the past three or four years?
- What do you consider to be his/her outstanding personality traits? Anecdotes or examples are very helpful.
- If you had to describe your son/daughter in five adjectives, what would they be?
- Are there any unusual personal circumstances or challenges, which have affected your child's educational or personal experiences?
- Please feel free to use the back of the sheet or a second sheet of paper if your comments do not fit into the space provided.
